## Parents attend enrichment programme

An enrichment programme for parents of students from KG to Std X at the New Indian School was organised on Continuous and Complete Evaluation. The programme is based on a new scheme by the Central Board of Secondary Education.

Around 2,000 parents were briefed by the teaching fraternity about the holistic education imparted, techniques of assessments (formative and

V.Gopalan, Director and Principal expressed his happiness at the overwhelming response of the parents for this event. He said how the

new grading system covers all aspects of students' development and makes the assessment more relevant, meaningful and helps in improving

greater learner participation and discourages mechanical testing. A hand-out explaining the assessments were also given to the parents.
