Asry donates training equipment

LABOUR and Social Affairs Minister Abdulnabi Al Sho'ala yesterday received a computer and radar equipment from the Arab Shipbuilding and Repair Yard (Asry) to be used as training tools at the Bahrain Training Institute (BTI).

The company also offered three scholarships to the institute for Bahrainis.

The equipment was presented by Asry deputy chief executive Mohammed Al Khateeb in the presence of BTI director Dr Naji Ahmed Al Mahdi, Assistant Under-Secretary for Social Affairs Sadiq Shehabi, Assistant Under-Secretary for Planning and Training Abdul Rahman Al Zayani, Asry personnel manager Dr Sulman Abdul Karim and other officials.

Mr Al Sho'ala thanked Asry and praised its pioneering role in training Bahrainis, urging private industry to follow its example.
