■ Prime Minister Shaikh Khalifa bin Sulman Al Khalifa yesterday received the chairmen of national, social and co-operative societies who condemned the terrorist plot aimed at undermining Bahrain's stability and security. They expressed the backing of all society members for the Government's actions in safeguarding the country's safety, stability and achievements. They said that they and all the members stood in one rank behind the Premier's efforts and expressed deep appreciation of the Public Security forces who exposed the terrorist plot. The Premier thanked them for their support and wished them all further success. Present were Labour and Social Affairs Minister Abdulnabi Al Sho'ala and other officials.
